Hola Yudit, te agradezco por contactar nuevamente con David, como ud me pidió le envío la foto y le cuento que David está estudiando Arts Visual en NWSA y a la vez cursando el primer semestre de College en Miami. En el college toma 4 diferentes clases de ingles del nivel 3 para alcanzar el idioma y en NWSA toma la clase de arte Workshop for Art Research and Practice de 10 horas semanales. Una vez que alcance el nivel 4 de inglés comienzan a incorporarle otras clases de arte.

Gracias por su ayuda e interés en el futuro de David y de otros jovenes e igual gracias para todas aquellas personas q colaboran en este lindo proyecto.

*Saludos para el Club.
